

Uniform and Appearance

- We are proud of our school uniform. It identifies each student as a member of our School Community. Therefore we must show our community at its best at all times.
- **The wearing of the correct and complete uniform is a most important part of school discipline. All students must be in full uniform before they are admitted to class. A stock of freshly laundered jumpers and skirts are kept in school for students who arrive without the correct uniform, so as to enable those girls to join their classes. (If for any reason a girl has to wear an alternative to the uniform skirt until she arrives in school, then she must ensure that she has her green socks and school shoes with her.)**
 - Please note that it is compulsory that students wear full school uniform
 - Travelling to/from school (P.E uniform is not allowed even if the first or last class of the day is a P.E.class)
 - During specified school outings
 - When representing the school
 - During school and state examinations
 - The onus is on the parents and the students to ensure that the proper and complete uniform is worn at all times.
- Permission to attend school without a full uniform may be granted by the Principal/Deputy Principal in exceptional circumstances. This permission must be sought and secured in writing before school starts. The school will be closely monitoring students' correct wearing of the uniform. Parents of individual students who do not comply with uniform rules will be contacted in order to bring about proper wearing of the uniform by those students.
- All students must have a neat tidy, clean and natural looking appearance suitable for school.
- **Facial Jewellery is not allowed. Any student who arrives in school wearing same will have to remove it immediately.** All students must take responsibility for their own jewellery.
